

Course Messages

You can manage the notification settings for all of the courses you are enrolled in. From the global navigation menu, select **Settings** and then select **Edit Notifications Settings**.

How to Turn Notifications On and Off for Course Messages

You can select which notification types you receive and the methods used to deliver them to you.

1. From the global navigation menu, select **Settings** and then select **Edit Notification Settings**

2. On the **Edit Notification Settings** page, select the link for **Courses I am taking** to change notification settings for all courses at once

Bulk Edit Notification Settings

Select the set of courses or organizations to update. The notification method should be sent with a method that will deliver the message.

- [Courses I am taking](#)

3. Under **Settings**, select how your notifications are delivered by selecting the check box for **Course Messages Received**

1. **Dashboard** - Course Message notification would appear in the Global Navigation Menu in the Updates tool
2. **Email** - email notification messages are sent to the email address you provided in your personal information
